### **Dear Parents and Cubs.**

At last the weather for the season seems to have arrived and as you will have noticed more and more activities move outside. As such you will need to check the news letters to find out where we actually are and whether we need anything different for the evening.

### **Friday May 12th - Activity, A little bit of "Spit & Polish"**

Can you please make sure that your Cub arrives with their black school shoes on, carrying some black polish and a duster. This will help us to conduct this evenings activity.

### **Friday 19th May - 1st Warsash Sea Scout Group AGM**

There will be no Cubs this evening, however it is the Groups AGM, which is when the Executive Committee is elected and the group's financial reports are presented. It is also your opportunity to discover how the group is being run and to have a say about how the group is or should be run. You are all welcome to attend and we are hopeful that some of you will take the time to come and join us because you care how the group is run.

### **Friday May 26th - Activity, "Wild Bird Adventure" Titchfield Lane - 18.00-19.30**

Some of you might have spotted that this activity is not at the HQ. You need to report to the Emu & Ostrich Farm off Titchfield Lane by 18.00 hrs, pass Garsons, pass River Lane (on your right), go down hill under pylons, continue on until you go under more power cables going up hill, at top of hill as you come out from under trees, turn right into Tapnage Farm. Full uniform is required.

If you get lost please call mobile number above. See you all there.

### **Subscriptions and Capitation**

If there any Cubs that have not made Subs payments yet, please can you ensure to get £22.00 cheques to us a.s.a.p. made payable to "1<sup>st</sup> Warsash Sea Scouts Wight Pack".

*As always, if you have any questions arising from this newsletter, attachments or on anything to do with Scouting in general, please do not hesitate to contact Baloo, Raksha or Akela.*
