Dear Parents and Cubs.

District Seven-a-side Football Competition - Sunday 14th March

This weekend is the competition, time to see all the training pay off. Slight change to the agenda is that we are required to be there by **13:30** to start as early as possible and we expect to be finished between 16:30 and 17:00. The agreed strip is white tops, black/blue socks and shorts; however we are hoping to get to borrow a kit/tops from the Wasps, so fingers crossed.

The event is at Crofton Manor School off Mancroft Avenue in Stubbington, please see map supplied. The directions are as follows; leave Warsash (Warsash Road) head for Stubbington via Common Lane (Titchfield) and get on to the Titchfield Road. Follow Titchfield Road until you see the Stubbington sign which is on bottom of a 30 mph speed sign. Turn right at the next lights into Cuckoo Lane, follow this (1/2 mile) to a T Junction, turn left (Bells Lane) and then take second right in to Mancroft Avenue; the School entrance is 500 yds on the left. Look forward to seeing you there.

Reptile Experience - 26th March 2004 - Program change

Due to the exhorbidant fees (£197.00) that were requested for a one hour event, it was decided to postpone this event for now but we are currently looking at alternate suppliers of snakes, lizards and spiders, so watch this space.

Gilwell Park Medieval Funday's - June 19th & 20th

Details of this event; which is solely organised for Beavers and Cubs, has just come through and we were thinking of organising a trip there (Gilwell Park - Chingford), but having looked at the agenda I do not think any of my cubs will be interested. However if you think that archery, abseiling, aerial runways, assault courses, raft racing, water rockets, grass sledging, climbing, falconry display, jousting display but to name a few activities might interest your sons, please could you let me know a.s.a.p. We need to get a feel for the interest level to decide whether to go ahead with organisation.

At the moment we estimate that it could cost between £10 and £15 for the day, not having organised this trip before please don't hold me to this at a later date and again just an estimation we would leave at 08:00 returning for about 18:00. Firm details will follow if there is enough interest.

Please either phone Baloo or I or complete the details on the form in the hallway of the HQ.

Spring Clean Weekend - 13th/14th March

It is obvious that we have no cleaners or painters and decorators amongst the cubs parents as I have had very little response for help. If you can spare an hour or two over the weekend, please turn up as any/all help and assistance will be greatly appreciated and ultimately it is your children that get the benefit of conducting their sessions in a nice clean, bright and friendly environment.

As always, if you have any questions arising from this newsletter or on anything to do with Scouting in general, please do not hesitate to contact Baloo or myself.
