1st Warsash Wight Pack Cub Scouts
17th September 2004

Dear Parents and Cubs.

The term got off to a flying start, as all of the new joiners (all beavers) already knew other children within the pack it was very easy to get them working together quickly. The Pack was ably entertained throughout the evening by some of our former cubs, who were completing the final part of their Chief Scout "Silver" Award (the highest achievable award in Cubs). They were awarded their certificate and badges tonight by our Assistant District Commissioner (Cubs), Jan Garvie. Maybe it will inspire others !!

Programme change - Friday 24th September - Hovercraft Station Visit (HMS Daedalus) - 18:00-1930

We do warn you that the programme is subject to change at short notice and for operational reasons the "Lifeboat Visit" has become a "Hovercraft Visit" and moves to Friday 24th September. We get the impression that there will be some hands on, so please come in scruffy, warm clothes (no uniform).

Please drop off your children at the entrance to HMS Daedalus; this is opposite the Wyvern Pub off of Broom Way (the road that runs from "Lee on Solent" towards Fareham) for 17:50, where they will be mini-bussed to the Hovercraft area. They will be back at the entrance for around 19:30 for you to collect.

Programme change "Local Knowledge" Activity Badge - Friday 1st October

The "Local Knowledge" Activity Badge has moved to Friday 1st October, so your home preparation is required on this evening instead i.e. "draw a map of your local area and mark on places of interest for visitors". This is a required element in order to achieve the activity badge.

Wight Pack Autumn Trip - "Little Canada Activity Centre" Isle of Wight - 5th-7th November

We have had a brilliant response to this event so far, there are a few places left and if you want one and haven't let us know please pick up the phone and confirm your interest.

Evening Collection

We operate a policy that at collection time (19:30) the cubs are unable to leave the HQ Hall unless their parent or guardian is there to collect them; this is done both for their safety and our sanity. So when you arrive please feel free to come into the HQ whilst we bring the evening to a close. We do appreciate your assistance with this policy.

Subs & Capitation

What an excellent response this term; thank you, only a few stragglers left to pay their £22.00 (cheques payable to 1st Warsash Cub Scouts) by September 24th.

As always, if you have any questions arising from this newsletter, attachments or on anything to do with Scouting in general, please do not hesitate to contact Baloo, Raksha or Akela.
