1st Warsash Wight Pack Cub Scouts
19th March 2004

Dear Parents and Cubs.

You could hardly have failed to notice the amazing transformation of the HQ following our spring-cleaning last weekend, it is quite a change. Our thanks go out to Tim, Helen, Hanna & Chris Nichols, Lynda, Mick & Harry Felss and Anne & Tom Marrington for giving up a few hours over the weekend to help create a nicer environment for the Group. It would have been nice and also enabled us to finish sooner if a few more people had been able to find the time to help the group; maybe next time.

District Seven-a-side Football Competition - (T.B.A. May time)

As I am sure most of you are aware by now the football last Sunday was cancelled due to inclement weather. It was then re-arranged for this weekend, but due to the short notice and people having other commitments only 3 Packs could have made it, therefore it was postponed and we will re-arrange the event in May. Unfortunately this does mean that Fareham West District will not have an entrant into the County competition for 2004. Watch this space for new date.

Gilwell Park Medieval Fundays - June 20th

Last week it was announced in the news letter that Gilwell Park were putting on a "Medieval Funday" for the Cubs & Beavers in June and we asked that you contact us to confirm your interest and which day was preferable. So far only 3 people have been in touch and it was decided that if we go we would go on the Sunday 20th June. So, could you please either mark your interest on the notice in the hallway or contact either Baloo or myself.

At the moment insufficient interest has been shown to warrant organising a trip to Gilwell, please can you let us know before next Friday if your son would like to attend this event.

Finally, a quick note to wish all our mums a Happy Mothers Day for Sunday.

As always, if you have any questions arising from this newsletter or on anything to do with Scouting in general, please do not hesitate to contact Baloo or myself.
